

Hi! My name is Tania. I was born in Moscow and since Russian borders are more or less open I do all my best to see the world.

Travelling and photography are 2 passions which I would like to share with you in this album.

PARIS Paris, je t'aime!
has it's own sence. The capital of wine,
cheese and baguettes. I like walking on the streets of Paris,
taking pictures of architecture, cemeteries, statues, birds
and cats, people and of course myself! :)

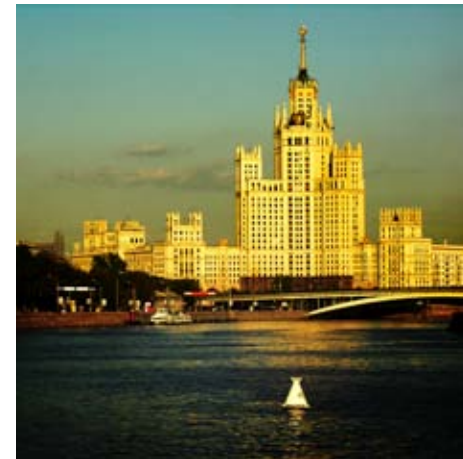

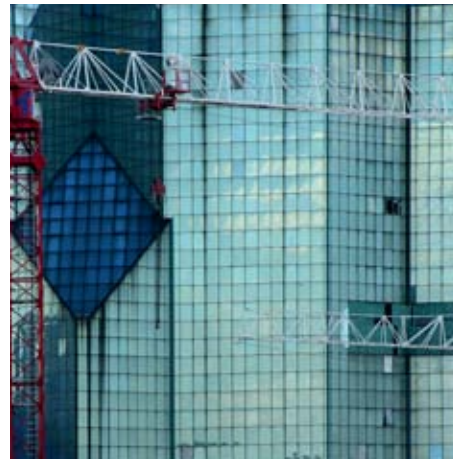

York. Great Britain. 2009

MOSCOW

is my hometown. It is very different to other cities and that's one of the reasons why I like it a lot...

ENEZIA&FILM Usually I work with digital camera, as it is easier and more comfortable to use during this fast life. But sometimes, when I don't need to hurry, I can't resist to experiments with dad's old Zenith. And also I love all these small scratches and stains after scanning the film... Excuse me for this :)

LA HABANA. CUBA

Habana is incredible city! Colonial architecture, old american retro cars, smiling friendly people, warm sunny winters, rum and cigarettes. What else do the person need to be happy?!

Habana. Cemetery. 2011

Beijing. Night market. 2010

BARCELONA

is my passion. Here I feel myself at home.
I enjoy every second of being here.
It is quite big, funny and sunny, busy and
relaxing city... You may go party every day,
go in for sports on the beach or just relax
watching waves.
